

WEBSITES TO BOOKMARK

If you work in the Wisconsin Birth to 3 Program

The following state and national websites contain important foundational information about Early Intervention and provide resources and support for the Birth to 3 Program workforce.

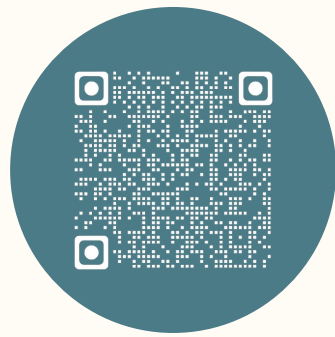

State

DHS - Birth to 3 Program

<https://www.dhs.wisconsin.gov/birthto3/index.htm>

The State of WI - Dept of Health Services - Birth to 3 Program website that holds state level information including local and state contacts, forms and publications, policy and procedure, and the First 1,000 days media campaign.

CESA 5 Resource Project

<https://www.cesa5.org/projects/resource-project.cfm>

The Responsive Equitable Support Project (Resource) website that holds the professional development materials, resources, and support opportunities for the Wisconsin Birth to 3 Program workforce.

DHS 90

https://docs.legis.wisconsin.gov/code/admin_code/dhs/030/90

The Wisconsin administrative code that governs how the federal requirements must be followed in Wisconsin.

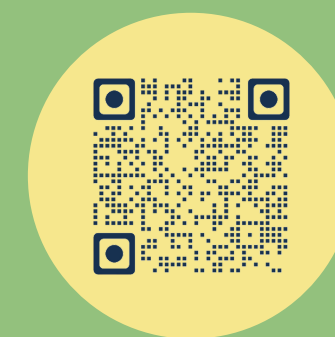

National

ECTA

<https://ectacenter.org/>

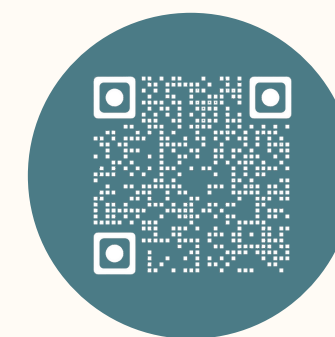

Early Childhood Technical Assistance (ECTA Center) website that holds a variety of resources and technical assistance opportunities to support IDEA Part C and Part B, Section 619 programs.

DEC

<https://www.dec-sped.org/>

The Division of Early Childhood (DEC) professional organization website that holds resources for the Early Intervention & Early Childhood Special Education field such as the Recommended Practices and opportunities for professional connection.

IDEA - Part C

<https://sites.ed.gov/idea/regs/c>

The Individuals with Disabilities Education Act (IDEA) is the federal law that supports special education and related service programming for children and youth with disabilities. Part C specifically refers to children under the age of three.
