WATCH!

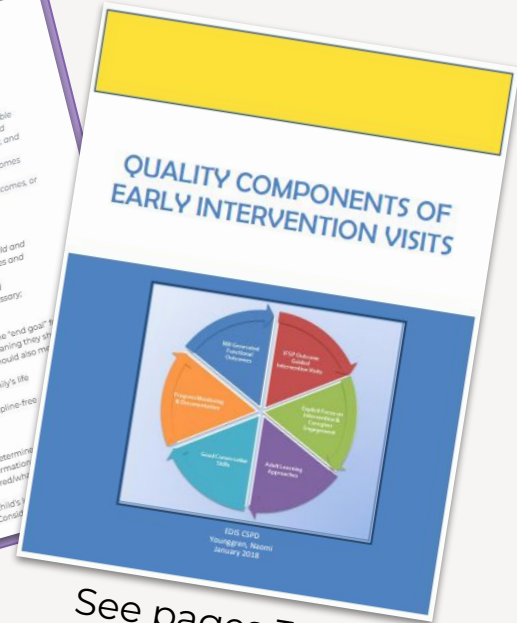

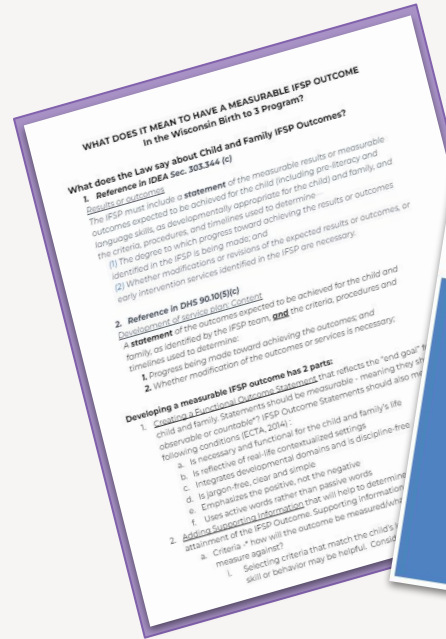

Click on the image to the left to learn more about the value of beginning and remaining **in context** when developing functional, participation-based IFSP outcomes (4:30)

READ!

Click on the images to access and read the documents related to IFSP outcome development

See pages 3-7

DO!

Access the 10-question Kahoot Quiz by clicking on the image to the right. Once in Kahoot, use your smartphone and the QR code (or web link) provided to check your learning individually or with others.

IFSP Outcomes

Reflect

We encourage you to access the [Outcome Assessment Tool](#) (OAT) and corresponding [Manual](#) while taking time to reflect on and consider your IFSP Outcomes.

Check in with your program leader to discuss this PD bundle and ask any questions you may still have.

Would you mind taking a moment to provide feedback about this PD bundle?

Please follow [THIS LINK](#) to fill out a very short survey.
Thank you!

Contact RESource with any questions.

- Submit a request for PD/support by filling out the RESource [REQUEST FORM](#)
- Send any general inquiries or messages to our centralized email address: resourceinfo@cesa5.org
